QUESTION 1

Read the article below and answer the questions that follow.

MARRIAGE AND DIVORCE

In 2018, MaMkhize, as she's affectionately known to her millions of social media followers, and husband Mpisane hit the headlines, becoming the newspapers' fodder after it emerged the duo was going through a divorce.

'I honestly believed we had a great marriage despite occasional turbulences. When we celebrated that epic 10th anniversary of our marriage in 2011, I still believed I was joyful in my marriage. That's the reason it took me 25 years to realise there was only one benefactor and one beneficiary in this imagined romance. He was the one lavished with all the love to his heart's content.'

The Durban-based business and IT couple's marriage was at the time dogged by allegations of infidelity on the part of Mpisane.
